Wg Cdr B N Rao  
Dean, Aeronautical Engineering  
MLR Institute of Technology

Dear Wg Cdr B N Rao,

I am pleased to formally invite MLR Institute of Technology to participate in the 2016 Boeing Technical Externship Program.

The program is a student-oriented experiential learning opportunity designed to expose a select group of third year undergraduate engineering students 18 years or older to exciting career options in the world of aerospace engineering. The program is sponsored by Boeing Commercial Airplanes and Cyient Limited, and projects are performed at the Cyient facility in Hyderabad. In 2016 we are again inviting six universities to identify two of their student's one male and one female each for the program.

The student selections and criteria are the responsibility of the university, however applicants should be assessed for consideration based on GPA and any other relevant university measures. Attached are the 2016 program details and a Cyient overview to provide to prospective student applicants.

**Program Dates and Details**

Orientation: May 9<sup>th</sup> 2016

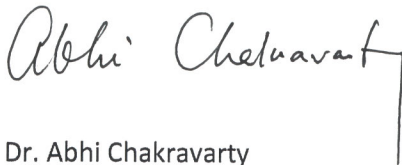

Project Dates: May 9<sup>th</sup> to July 8<sup>th</sup> 2016

Work Hours: Monday thru Friday 9:00am to 6:30pm

Graduation: July 11-12<sup>th</sup> 2016

Student Stipend (2): IR 20,000.00 for incidental costs

Sincere regards,

Dr. Abhi Chakravarty  
Senior Manager - Global Engineering and Technology  
Boeing Commercial Airplanes
